

Wyoming Modelers' Park Association

The Prez Sez

Well, we've had a good run of warm weather making it almost to Thanksgiving. Hopefully that is a sign that we'll still have some warm weekend days.

Remember that we don't have a meeting in December. Our next meeting will be January 13th. That will be the election of officers meeting.

We have received word from AMA that Mark T. Smith has been elected Executive Vice President of AMA. I've sent congratulations to Mark on behalf of WyMoPa.

Dues are Due. Remember to renew your membership before the New Year. See Rich at the Park.

We've had excellent turnout for the first two indoor flying nights. The days are the first and third Wednesday night at the Riverton Middle School gym. The fun starts at 7:00 PM.

See you at the Park—or better yet at the Middle School!

Rich

Off-Road Track Upgrade Updates

Bob and Shawn have been coordinating many of the upgrades that are ongoing at the off-road track. The track is now ready for fill dirt and gravel base to help it be raised and expanded to 150'x100'. Currently, the back retaining wall and all existing track pipe has been removed. The dirt has been taken off the top and piled off to the side. The electric line has been pulled out of the ground, and currently the next step is to begin getting fill dirt and gravel to act as the new base for the track.

The next club meeting will be held Tuesday, January 13th, 2009 @ 7pm. The meeting will be held at the Riverton Rec. Center, 201 E Washington.

WyMoPA Featured in Model Aviation Magazine

Wyoming Modelers' Park was featured on Page 176 of the current, December 2008 issue of Model Aviation Magazine. A copy of the article can be found on the Wyoming Modelers' Park website if you don't receive this magazine.

Upcoming Events!

Wednesday, December 3rd - Indoor Flying @ Riverton Middle School. 7-9pm

Wednesday, December 17th - Indoor Flying @ Riverton Middle School 7-9pm

Wednesday, January 7th - Indoor Flying @ Riverton Middle School 7-9pm

Race Reports

A few WyMoPA racers are making regular trips down to Rock Springs for their indoor carpet racing. If you're interested in racing 1/18th or 1/12th scale cars please visit the Sweetwater RC section on the Wyomingrc.com forum for more information.

Items For Sale

Paul Branham is currently selling his Motor Lathe. The lathe includes a diamond bit and he will include all of his stock brushes and stock brushed motors. All of this can be yours for \$50. Includes roughly 10 sets of brushes, and a half dozen motors.

Save the Date!!

During the November Club meeting the date for the 2009 Fly-In was set for June 5th-7th. Additionally, the Off-Road track may host a race that weekend. Be sure to stay tuned for further updates on events for this weekend.

New Newsletter Author

Paul Branham has taken over management of the monthly newsletter. If you wish to have anything included, please call him at the phone number listed on the left, or by e-mail at paul@wyomingmodelerspark.com.
