The Prez Sez

April Fools has hit us. I am writing this on April 1st and it's snowing like mad. Surly Spring is out there somewhere. Let's hope that the weather is going to change for the better—let's plan a work day for Saturday April 10th. Bring shovels, rakes and brooms and we'll tackle some clean up. We have new windsocks that need to be installed. We could also use some help servicing the mower and vacuum and the brush mower. We'll provide lunch—bring your own drinks as usual. See you there.

Dues are due. See Rich at the Park or send your \$35.00 to Rich at 62 Minter Lane, Riverton 82501. Or pay Dick Adams at the next meeting.

The last two sessions of indoor flying will be Wednesday April 7 and 21 at the Riverton Middle School. Flying starts at 7:00 pm and goes until 9:00 pm. Let's have a good turnout to end the season.

Bob's Cement Block

Commodore Bob reports that the cement block fell through the ice and that Dan Kinneman is the winner. Good job Dan. All you sailors get your rigging check out and the barnacles off of your hull.

The next club meeting will be held Tuesday, April 8th, 2010 @ 7pm. The meeting will be held at the new Aspen Park School in Riverton.

Grant Updates

We have submitted our request to the Fremont County Recreation Board for \$7,000.00 for sun shelters at the Aerodrome. We will know the results in July after the County Commissioners establish their budget.

Slot Car Racing

Harold Shelley has a slot car track in his basement. He is looking for fellow hobbyists that are interested in racing slot cars with him. You can contact Harold at 856.4395 or wildhare@wyoming.com .

Casper Hobby Shop Grows

Wheels and Wings in Casper has quite a few things on clearance. You can visit their website at <http://www.wheelsandwingswyoming.com>. Currently is offering 1/16th E-Revo, 1/10th Slash, Summit, VXL Bandit, and VXL Stampedes on close out pricing.
