

Wyoming Modelers' Park Association

The Prez Sez

Time to set sail? Interested in RC boats? Whether it might be fast boats, sail boats, or scale war ships, we may have a great opportunity to bring our goal of a boat lake to fruition. The River Walk group has acquired a large area along the river that includes a number of large pond areas. They have suggested that we may be interested in developing some of these pond areas for WyMo-PA boat activities. We will have the topic on the agenda for Tuesday's meeting. All of you who are interested in any form of boating should make it a point to attend this meeting and share your ideas. If you know of others in the community who have an interest in boating, make sure to invite them to come also. If you would like to check the area out, drive south on South 2nd East till it ends and follow the trail around the ponds. Who knows, it could be a place for electric sea planes as well??

At the January meeting there was a discussion of multi year election of officers. This would probably take a change of your By-laws. We'll have it as a discussion topic at next week's meeting also. Come share your ideas.

Dues are Due!! Flyers make sure that your AMA is current also. We will get a listing from AMA this month of those who are current and those who are not. Remember you are not covered by insurance unless you are current with both WyMoPA and AMA.

Don't forget the indoor flying at the Riverton Middle School. First and third Wednesday of the month through April.

Make sure to be cycling your batteries. We've had a couple of really warm weekend days and I've even caught a few guys sneaking out during the week for a flight or two on bright sunny days. Even though the groundhog saw his shadow, let's keep thinking early spring!

The next club meeting will be held Tuesday, February 10th, 2009 @ 7pm. The meeting will be held at the Riverton Rec. Center, 201 E Washington.

2nd Annual WWWC Ice Melter Mini-z Race

Be sure to visit the website and download your entry for this year's Ice Melter race to be held at the Wind River Casino on Saturday February 7th. The race will feature a provisional 1/18th Class. Entry Fees are only \$5 for the 1st class, \$1 each additional class.

Wednesday, March 4th - Indoor Flying at Riverton Middle School.

Also Mini-z Racing most Saturday evenings at Wyoming.com. Contact Shannon for details.

New Hobby Shop in Casper

New Hobby Shop in Casper. I received an e-mail from Stuart Ruben of Casper that he has opened a hobby shop in Casper. It's called Wyoming Sports Distributor, Inc. It is located at 2534 Oil Dr. He says it is just east of Ghost Town Gas Station. The phone number is 266-9770 and his cell is 266-5077. He says that he stocks products from World Air Modelers, Kyosho, Great Planes, Hanger 9/Horizon, as well as parts. If you are in the Casper area, stop in and check it out.
