

Wyoming Modelers' Park Association

The Prez Sez

A big thank you to John Stremming and Sollie Cadman for working with a crew from Intermountain Electric for taking down and moving Darel's flag pole to the Park. At the April 4th work day, we'll decide on a location for the pole. Intermountain has volunteered their assistance in setting the pole.

Mark your calendar for May 2nd. That will be our day at the Radio Shack for the annual fair. Dust off your models and bring them out and show them off. Again, Mike Hammer is donating the food and the Senior Kiwanis will do the cooking - the proceeds go to WyMoPA.

Dues are Due!! Our by-laws direct that anyone who has not paid dues by March will be removed from the membership roster. We still have quite a number of members who have not paid for 2009. If you have not paid, see Paul at the meeting on the 10th or send them to Rich.

On Saturday the 21st, a group from WyMoPA met with Tammy and Alan Moore for the Depot Foundation and Riverwalk to discuss the use of the ponds at the Riverwalk site. It resulted in an exchange of information about use and possibilities of development. Come to the meeting on March 10th and hear the details.

Mark your calendar for Saturday April 4th! That is our annual work day to get the field and car tracks in shape for the summer season. You'll need brooms, rakes, shovels, hammers, etc. Some of the activities planned are:

- Replace fence posts
- Build cages for trees
- Rake weeds on west end of the runway
- Sweep the runways and car tracks
- Move the small porta-pottie
- Burn weeds & clean up trash

The next club meeting will be held Tuesday, March 10th, 2009 @ 7pm. The meeting will be held at the Riverton Rec. Center, 201 E Washington.
