

Wyoming Modelers' Park Association

The Prez Sez

A new place to meet. Since the city has closed the Rec Center we are moving. This meeting, Oct 13th will be at the new Aspen Park School in Riverton. It is at the eastern end of Sunset. Turn at the Holiday Inn and go east until you come to the school. You can't miss it. Remember we start at 7:00 pm. See you there.

The next club meeting will be held Tuesday, October 13th, 2009 @ 7pm. The meeting will be held at the new Aspen Park School in Riverton.

Lease info. At the meeting we will discuss the latest info on getting a long lease from the city to the Park. The city has a proposal before the State Lands Board for a ten year lease with a second 10 year option. The State Lands Board meets in Cheyenne on October 8th. Bill Urbikite will represent the city and I will be there for WyMoPa. We need to thank Carter Napier, Eli Bebout and Dave Miller for getting us this opportunity.

The list of sailors is growing. They are now dubbed the Wyoming Modelers' Yacht Club (WY-MYC). There are 9 yachters who meet on Sundays around noon. Take some time to stop by and see the action. Need more information, call Bob Nordick at 856 9853.

Car action at the park. There is now a rock climbing course at the park. It looks really challenging. Also the on-road car track has been sealed. Come on out car guys and see what's going on.
